

INSU-FLATE

Protect your loudspeakers

The ISF-147 will protect in-ceiling loudspeakers against abrasive insulation fibers and dust particles that can get into the voice coil assemblies and disable your loudspeakers. This great "Pop-Up" nylon loudspeaker cover is a simple and cost effective solution that will significantly improve your installations over the "long haul".

Lifetime Limited Warranty

- ▶ One size fits all
- ▶ 14" Diameter
- ▶ 7" High
- ▶ Individually packaged

Pro-WIRE®

Place hands on each side of the Insu-Flate facing opposite directions.
Step 1

Fold or "twist" the Insu-Flate into a figure eight shape.
Step 2

Folding Instructions

Bring hands together while gently continuing the twisting action.
Step 3

Form into a circular position.
Step 4
